The IEEE Wireless and Microwave Technology (WAMI) Conference addresses current industry multi-disciplinary research needs and inter-disciplinary aspects of wireless and RF technologies. The full-featured program includes oral presentations, poster presentations, workshops and tutorials.

EXHIBIT SPACE INFORMATION

- Floor Plan – located on the Space Application / Contract
- Exhibit Space Application / Contract
- Exhibition Operating Rules and Regulations

PRICING

Pricing for 2024 is \$1000 per table space and \$1500 per 10' linear space. Reserve your spot early and take advantage of our 10% early-bird discount if you send payment by 12/31/2024.

WAMICON is not obligated to provide an exhibit booth to any company who does not reserve their space in advance, and exhibit space at the show is not guaranteed. You can reserve your space by check or credit card in advance.

EXHIBITION HOURS

Exhibit hours have been scheduled to provide maximum interaction between conference attendees and exhibitor personnel.

- Monday, April 15 from 7:00am-5:00pm
- Tuesday, April 16 from 7:00am-3:30pm

EXHIBIT SPACE INCLUDES

- Two exhibitor passes
- Two lunch tickets for each day of the Exhibition
- Two full WAMICON technical registrations, including an Awards Banquet ticket.
- Breakfast and break refreshments.
- Additional exhibitor passes (includes meals, technical sessions, reception and banquet) are available for purchase via the <https://www.ieewamicon.org/> registration tab at a discounted price. Discount offer limited to two additional representatives.
